The Homes And Retreats Of The Masters Of Wisdom

NOTICE

From March 15 to April 14 the attention of the Great White Botherhood is centered in the Great Council Halls of the Near Eastern Retreat, presided over by the Master Jesus.

At this time all the Spiritual Radiation and the Actual Presence of the Liberated Host and Their cheelas in the World of Men, will be turned toward this Retreat in order to insensity the Blessings to the people of earth while their attention is upon the Ministry and Resurrection of the Master who is the Head of the Christian Dispensation.

In order to tune in to these Councils and become a part of their great service to Life, please feel yourself as much at one with the Consciousness, Presence, Feeling and Radiation of the Master Jesus as is possible at this time.

The outcome of these Meetings and Their manifested services will he revealed in later issues as permitted by the Law of the Brotherhood and the Wisdom of Its Great Leader.

The Homes and the Great Council Halls of the Teachers and Guides of the Human Race are established all over the surface of the planet earth. The exact location of these foci where the light is drawn, intensified, and held as a radiating center of protecting and inspiring force, cannot be revealed to the unawakened consciousness of the outer mind of man, for reasons that are obvious. However, sincere, well motivated people, who are eager to place themselves at the Feet of the Masters, and to volunteer to co-operate with Their Work, are enabled by spiritual invitation to visit in consciousness, if not in flesh, these beautiful Retreats, Sanctuaries and Homes.

Consciousness is a marvelous means of travel, for the mind and heart are not bound by the gravity pull of the flesh body, and when an individual opens his consciousness to the description, activity and reality of the Retreats, he has gained within himself the way and means by which he may fly "on the the wings of thought" to the Masters' Hospitable Homes at any time. There, he is in the company of the Elect. He absorbs the strength, beauty, wisdom, and understanding that form the radiation of the Holy Place. He returns to his own orbit filled with the Light of Truth and more able to fulfill his own individual destiny, as well as be an active, intelligent co-worker with the Masters' Work at hand.

The descriptions of the Retreats, as they come forth, are for the purpose of "guiding your mind and heart" along the Way, and then —you may return to these Retreats again and yet again, following the paths laid out to you here, in love, for your individual experience.

Certain points upon the earth's surface are more natural conductors of spiritual light than others. They induce and encourage spiritual thought and aspiration, where man, in his journey Godward, finds it easier to reach the higher, purer consciousness, and overcome the appetites of the outer self. Seekers after spiritual attunement have ever sought these environments, entering into the mountain fastnesses, the solitudes of desert and seashore... cultivating their Godhood under the beneficent radiation of these natural shrines..

Every individual who aspires Godward, draws into the lower atmosphere around him, beneficent vibrations or spiritual currents and so he experiences a little more of the Kingdom than was present before his heartfelt search. Thus it is said that in the very spot where Lord Buddha received his enlightenment, a radiant pillar of Christ Force pulsates to this day, into which any man may step and feel, for an instant, the uplift of the Buddha's Spiritual Thought. Major Yeaets-Brown describes this sensation in one of his books In a great cathedral, a healing shrine, the Invisible Presence of Faith and Hope and Reverence, born of the heart's light of all who have ever assembled there, is a palpable and living force that even the most skeptic materialist cannot deny...

How much greater then, are those Retreats and Foci where the Masters of the Race have entertained the seekers after Truth, and —with the help of each aspirant have builded into the very walls, into the akashic records— and into the very substance of the earth itself, the spiritual aspirations, strenghts, petitions, and illumination of all who are privileged to become the Guests of the Way-Showers among men...

Man leaves behind him at so-called death so much of his dream, his seeking, his achievement, impregnating the atmos-

The Masters of Wisdom Speak on

THE LORDS OF KARMA AND YOU

The Divine Work of administering the Will of God for the peoples of earth is under the direction and supervision of Seven Great Beings, called, the Chohans, or Masters of the Seven Rays, and their Over Lord the Maha (Great) Chohan. All of the activities, gifts, benefits and progress of the human race enter the world and experience of man along these Seven Rays.

This is a Permanent Section of THE BRIDGE dedicated to each of these Great Masters, through which They may forward Their Design and Current Activities through radiation, inspiration, instruction, and in any way that Their Great Wisdom sees will have a beneficial effect upon the human race.

Contemplation of each Master connects the student's lifestream with the Ray which He represents and carries the particular radiation, gifts, talents and inspiration which are Its characteristics into the experience of the student, and through the student into the world.

MAHA CHOHAN — HOLY SPIRIT

The Hand of God working through Rays Three to Seven

The Law of the Circle is a stern teacher, for there is no prompter but pain and unhappines—and much later Love! What the infant learns through experience, the mature man may learn through contemplation and observation. Energy acts on the instant... its recoil may take centuries, but return it will. This is karma, good and evil. The mantle of the Spirit of God may deflect the full impact of this return current when the soul signifies a willingness to learn the cause for his pain. Later, the awakened soul may join the transcending powers of the higher Laws and transmute any arrested karma mercifully inanimate during his search. The deflecting, the suspension and the meting out of karma is all under the supervision of the Lords of Karma, who are authorized by the Sun Himself.

MAHA CHOHAN

MORYA EL — FIRST RAY

Divine Will and Rulership

It is time the people of earth made acquaintance with the Lords of Karma. They are the Final Authority for the lifestreams that belong to the earth. They not only supervise and direct the incarnation of the soul, but form the Judgment Council at the time of dissolution of the physical garment. They delegate each soul to its proper sphere for its soujourn between embodiments. Through them must pass all all petitions and aplications for dispensations to wipe out the Karma of the race and transcend the natural law of cause and effect. They are Lords of Mercy and Love and are approachable for a petition of worthy merit.

MORYA EL

KUTHUMI LAL SINGH—SECOND RAY

Wisdom - Guardian of Youth

A wise and loving parent administers corrective measures only to educate the child in the principles of right and wrong. When the intelligence of the child assimilates the lesson, the need for suffering and punishment ceases to exist. Only a sadistic nature would continue unnecessary discipline. Is it not apparent that the Great Father is equally capable of waiving the judgments of karmic pain when the consciousness is awakened to the cause and has corrected its motive within? This is the Office of the Lords of Karma which I enjoy most. The wiping away of the tears and sins of the world through mercy!

KUTHUMI

VENETIAN — THIRD RAY

Diplomacy and Tact-Tolerante, a "Gentle-Man"

Am I my brother's keeper? Would any good man see his brother struck down if it lay within his personal power to stave off the blow? How great might the combined petitions of good men weigh in the balance before the Lords of Karma to release men from the full recoil of mass karma by changing the motivating powers behind the actions of the race!

VENETIAN

SERAPIS BEY — FOURTH RAY

Art and Beauty - Hierarch of Luxor

When a member of the human race is bold enough to stand, unveiled, before the Seven Mighty Judges — impersonal and dispassionate—the hearts of Heaven are stirred. It is seldom anch an application is denied. It is one thing for a Liberated Master to request a dispensation for the people of earth, but quite another for a man to recognize a need and FURTHER the possibility of moving a natural law by self conscious initiative and endeavor. I am ALL for that man!

SERAPIS BEY

HILARION — FIFTH RAY

Science and God

Scientifically speaking, the Father Himself grants dispensations of grace, surcease from wars, pestilence, famine and all the individual and universal ills that man has fallen heir to. But all applicants must pass through the Council of the Karmic Lords and show cause for the transcending of the karmic laws which are the authority over this earth. If that law is to be transcended, it must be proven beyond a doubt that such mercy will be ultimately a good thing for the race. To mitigate or destroy karmic retribution is possible. Otherwise there would be no hope or efficacy in prayer. Scientific research and medicine have temporarily alleviated pain and suffering and thus softened the karmic lash. More permanent manifestations of this transmuting of evil will be evident in the future.

HILARION

Maha Chohan

JESUS — SIXTH RAY

Religions Worship Through Devotion and Reverent Feeling

A dispensation is a grant of mercy given upon a worthy request. The law of Moses can be transcended through Grace. Seemingly miraculous answers to prayer are positive proof of this fact. Herein lies the hope of man. It he were required by the God of Love to pay every jot, every tittle, the chain of evolution would be endless. It is within the right and compass of every man to petition the Father for dispensations of mercy for his fellow man. Man must show just cause for such a grant, offering himself as a sponsor for the people. The upreaching of the hearts of men for peace could be gathered together by any man and offered as such a just cause.

JESUS

SAINT GERMAIN — SEVENTH RAY

Ceremonial Worship, cultivating the training and direction of spiritual energies of both Angels and Men

Karma is merely energy qualified to act by individual or natural will moving in an outgoing and incoming circuit. The effect of this karma will be determined by the motive within the qualifying intelligence when the invisible cause was set up. The natural law is that karma, the law of cause and effect, mus spend itself. If however, the motive that has createed evil karma is changed, the motivating intelligence educated, the natural law can be superseded by Mercy and the causes set into motion wiped from the screen of life even before they are apparent to aught but the inner eye. This is the promise of tomorrow and the hope of today—the power of dispensations—and the mercy of the Karmic Council.

SAINT GERMAIN

YOUR CO-OPERATION

Present application before the Karmic Council to which you may add the strength of your individual petition if you find the Cause worthy:

To allow those great souls who have studied in the Halls of Wisdom and at the Feet of the Masters to retain a FULL, CONSCIOUS, CONSECUTIVE MEMORY of their divine origin, teachers and divine purpose after incarnating in a flesh body. That the karmic restriction that demands the voluntary loss of inner memory be removed from those pure lifestreams whom the Lords of Karma shall choose to be the Builders of the New Age.

"THE HARVEST TRULY IS PLENTEOUS, BUT THE LABORERS ARE FEW," JESUS (MAT. 9:37)

Stepping Stones

By D. T. MARCHES

I

How near is Heaven? Jesus said "The Kingdom of Heaven is within you" and again He said "The Kingdom of God is at hand." Did the Master mean that these words spoken to the simple hearers of His day should be taken literally? Most certainly He did, for He was and is a Master of Truth and would not mislead the "seeking" people who followed and trusted in Him. He said another time "If it were not so, I would have told you."

The Apostle John says in His Gospel—"In Him (God) was life and the life was the light of men and the light shineth in darkness and the darkness comprehendeth it not."

How do we find this Kingdom and where and what is this Light that John refers to? In the heart of every man there is a secret, airless chamber within which dwells the Spark of Divinity. This tiny Spark is the Gift of Life, by which man lives, breathes and thinks. It is the motivating power of all his earthly activities, physical, mental and spiritual. It is a part of, and contains every potential quality of the Godhead. It is the Essence of Being and Its emanation is Light. It is three-fold in nature and is, in fact, the Father, Son and Holy Spirit in embryo. Where God's Presence is, His Kingdom is. The body of man is, therefore, the Temple of God and houses the Ark of the Covenant.

This is the "Secret Place of the Most High" mentioned in the Psalms and is what Jesus meant when He said "When te pray, enter your closet and shut the door and pray to your Father in secret." When one turns the attention toward this hidden Sanctuary and kneels in spirit before its Holy Altar, the feelings invoked by this inner desire release a spiritual force which fans the Spark of Life into a Flame. Its threefold nature representing the Love of the Father, the Will of the Son and the Power or Action of the Holy Spirit flow outward into the personality and world of the devotee, illumining the intellect and revealing God's Divine Plan for the individual and the planet.

Heaven then, is not a "place afar off." We carry God and His Kingdom around with us in our hearts. There is no peace, no happiness, no security outside of this Kingdom and it only awaits our recognition to make itself manifest. There is only One Father and One Only Begotten Son and that is the **Christ Nature** of every man. God is not the Father of the outer personality, that is a consciousness evolved and born out of fear and ignorance when the soul or ego separated itself in consciousness from the Father and started a creation of its own. The outer personality has neither love nor wisdom nor power which are the attributes of Godhead and it has not even the authority to control the imperfect world it creates.

JESUS

Jesus chose the Springtime for the glorious manifestation of the Resurrection because the cycle of nature rises on this, marvelous tide into the glorious manifestation of eternal life. How marvelous is His example of a Conscious Union of the body and mind and soul of a man to the Resurrection Flame that has rolled like a Cosmic Tide from the center of the earth to its periphery with each successive spring, since life on this planet first began. And yet, how divinely natural that man, the highest intelligence and most developed consciousness on the earth plane, should be a natural heir to the power and gift of the Resurrection Flame, that has served Nature in a rhythmic pulsation every 12 months. Nature has ever been the servant of man, created for his pleasure, his sustenance, his "handmaiden". Could the God of Nature then, giving to the lesser the full release of the Resurrection Flame, deny its Master? Jesus proved man's right and individual power to tune into the Resurrection Flame and transform his nature and his self-hood thereby. He tied His body and His spirit to the triumphant onrush of the Resurrection Flame and rose on Its Crest to Christhood and Divinity.

2000 springs have come and gone and man still stands barren, souls withered and bodies decadent, and allows the glory of the Resurrection Flame to roll by him into the Greater Universe, carrying Its Music and Its Promise unfulfilled to some further stars. And Jesus stands revealed a Single Flower in the Garden of God's life. A very few among the race have availed themselves of this Transmuting Flame of Eternal Life and they, too, have quickened in Its Vitalizing Power, and have flowered in the impetus of Its Impersonal Gift of Immortal and Everlasting Life. These are the Liberated Host of Light, whose perfume and light and radiance are the sunshine in the dense atmosphere of human thought and feeling. They are the Dispensers of the harmony of heaven, into which their consciousness has soared on the Resurrection Flame. They are the Guides that point out the true pathway, the "ever-lasting arms" that hold us from the pit, the wisdom and counsel behind the leaders of the race. They are not bound by race nor creed nor personality. Their business is to light the souls of men, to stir therein the desire for freedom, and to introduce the Presence of the Resurrection Flame whereby the soul —awakened may find its true place in the Full Flowered Perfection of Awakened Spirits.

VENUS

By THOMAS PRINTZ

I

Shining in the Celestial Sky is Earth's Sister Planet, Venus. How often have the eyes of the children of earth looked upward and enjoyed the beauty and brilliance of Her Presence in the darkness of eearth's night. Could it be that Venus and all the Glorious Planets of our system are barren of life and evolution, and that the sole purpose of the Galaxies of Heaven is to provide light and pleasure for the small orb of the earth? No, a moment's thought will dispel this arrogant and thoughtless concept as we contemplate the fact that the earth is one of the smallest of the planets, and surely her produce and her radiance at present are not of such importance as to balance the infinite gifts and presence of the Sun and stars that swing in silent splendor through our night.

Ah—yes—On Venus there is life and love and evolution of a cosmic purpose far beyond that which we on earth have yet achieved, but toward which the thinkers of the race have pointed us since time began. For she is, even in her physical position in relation to the Sun, a more advanced planet. Her very name on earth has always signified fullness of Love.

Man's journey through life is the progression of soul, learning through experience, the laws of life and love, the relentless law of cause and its ultimate effect. In this long and self chosen pilgrimage, he must wear many garments (bodies) and live in many climes. Thus he gathers into his consciousness by experience the wealth of knowledge which is the germ of Mastery over self and his world. When the lessons of earth are learned, the soul sometimes migrates to another planet to fully round out its nature, even as a student enters a school of higher learning in order to more fully prepare for a vocation. Thus, very few of the more fortunate among mankind have been privileged to complete their soul development upon the planet Venus, and, on rare occasions, Great Souls from Venus have entered into the worlds of men.

Venus has her own evolved Beings, who have grown and matured with her, as—in time—the earth children will develop with their planet into harmony, self mastery and peace. These Beings on Venus are the Older Brothers and Sisters of the human race.

The life on Venus is under the direction of a Great Hierarchy of Perfected Men and Women, called The Lords of the Flame. They are the embodiment of wisdom and of love. There is but one language, one state, one race, one purpose. There is no dis-ease, no crime, no army or navy or any instrument of force, for physical violence and unbalance are unknown. Every citizen of this World Estate contributes his talents freely to the common cause for fifteen short years, between the ages of 20 and 35. Before this time, all are educated by the State according to their particular talents and the interests of the individual citizen.

THE HOMES AND RETREATS...

(Continued from page 1)

phere that has housed his body and spirit with his **very self**, and so likewise the Great Ones of the Race have left this heritage in the Retreats where they received their light, and their ultimate victory... This light, coupled with the consciously drawn and projected light of the Present Occupants of the Retreat or Home, radiates out into the atmosphere and creates invisible but potent rays that enter into the feelings and thought centers of the human race, and stimulates them to higher aspiration —to cleaner, purer living.

Because man could not live in the effluvia of his own discordant thought and feeling, without the invisible and impersonal agents who dissolve much of the hate, selfishness, jealousy, etc., by Their own great light, the establishment and sustaining of the Retreats at specific, geometrically exact locations upon the surface of the earth were designed by the Lords of Light who govern the destiny of the race.

THE TIBETAN RETREAT

The Radiation of the Near Eastern Retreat lasts until April 14. The World Radiation for the following thirty days, from April 15 to May 14, will come from the Tibetan Retreat. The Instruction on this Retreat will appear in our May issue.

Work Sheet For April 1952

"He leadeth me in the paths of righteousness for His Name's sake."

(Psalm XXIII).

Visualize the Heart and Mind of God as a Blazing Sun, with a light ray directed out from Its Ceenter into the heart of every member of the human race. Feel that universal light as the life and intelligence of every man. Remain still until that consciousness of Universal Brotherhood permeates your feelings. Then visualize that light rise from the heart into the head, making the entire head area a miniature sun. See every man with an expanding aureole of light around the head area, a rapidly moving succession of electrons connecting the human mind with the Divine. Looking again into the Mind of God see the Directive Impulses arise within That Mind and travel along the rays into the intellectual consciousness of man, each according to his specific requirements.

I Am consciously and constantly connected with the Universal Mind of God, and I am about my Father's business.

I Am creating through My God Intelligence, perfect conditions of peace, harmony, and supply in my world and environment.

I Am receiving the pure light of God, which is expanding within the heads of all mankind, healing, purifying, illumining all our faculties, senses and organs.

I Am conscious only of God's Will manifest through the intelligent and conscious co-operation of all mankind, particularly through the individuals in positions of trust and authority, and they are all working together in harmony to produce world peace and world progress.
